Re: Dad's Club Inc.
John M. Farace, President

Since my previous letter dated October 1997, I am proud of the advances you have accomplished with the Dad's Club. Specifically, the youth center project.

A youth center project like this one is long overdue not only in the High Desert, but throughout our nation.

Again, I commend you on your efforts on behalf of the young people of the High Desert. If I can be of any assistance in expediting the completion of this project, please contact me at any time.

Sincerely,
